WELCOME TO THE NEIGHBORHOOD

Local caterer Charles Levine recently opened his first restaurant, **Citron** at Quarry Lake. It offers a seasonally changing, contemporary American menu with a French twist where you can enjoy locally sourced ingredients, fresh seafood, fine quality meats, and house-made desserts, as well as an extensive bar program.

The dining room is casually elegant with a comfy bar and lounge and outdoor seating with lakeside views.

Located next to Citron is a private event space — The Cove at Citron — which can host corporate and social events that can accommodate 150 for a seated event and 200 for a cocktail reception.

And the private deck will seat up to 100 or 200 for a cocktail reception. The Cove at Citron is slated to open in January.

What a great addition to the neighborhood — can't wait to go! Check it out at CitronBaltimore.com.
